

Referral Program

Advanced IT appreciates our valuable clients for their business and word of mouth when referring other businesses and friends about Advanced IT and our services. To show our gratitude we have an ongoing exciting Referral Program.

New Superior Pro Client: When you refer a company and they become a new Superior Pro client, you are eligible to receive **\$450**.

Requirements:

- The referred company must fill out the Referral Program form.
- The new client must commit to at least to a 6-month contract.
- The new client must have a network of at least 10 workstations and a server.
- The contact must conduct their first business with Advanced IT within 60 days of the initial meeting.
- Reward is payable by check when first invoice to the referred client is paid.

New Superior Response Client: When you refer a company and they become a new Superior Response client, you are eligible to receive **\$200**.

Requirements:

- The referred company must fill out the Referral Program form.
- The new client must commit to at least to a 6-month contract.
- The contact must conduct their first business with Advanced IT within 60 days of the initial meeting.
- Reward is payable by check when first invoice to the referred client is paid.

Advanced IT thanks you for your continued support and your kind words.
